

Section on Women's Health Regional Course Review Process

Lab Assistant Application

Purpose: To effectively contract with a pool of qualified lab assistants for SOWH regional courses. All persons interested in being a lab assistant must apply through this method.

Please forward completed application and curriculum vitae (highlighting your experience treating women's health and with women's health continuing education) to the Section on Women's Health, Director of Education at: education@womenshealthapta.org.

| <input type="checkbox"/> Pelvic Floor Level 3 | <input type="checkbox"/> OB Level 3 |

Effective March 1, 2010: The lab fee schedule will change to a flat fee based on the anticipated skill and synthesis of clinical decision making required to instruct a given course level.

LAB ASSISTANT

The Lab Instructors must have attended the course and any prerequisite courses (or one with similar objectives) for which they are going to be assisting. They must be proficient in all the skills that will be taught in the given course (see checklists for individual courses).

Requirements for all:

- Send curriculum vitae to the Director of Education
- Complete the above application
- Be prepared for a phone interview
- Be available for the entire length of the course
- Review manual prior to course date
- Be available for morning/evening CAPP testing when applicable

Compensation:

Monetary: Modest compensation commensurate with skill level required to instruct

Non-Monetary:

- CEUs at no cost
- Experience in instructing skills
- Experience working with the experts on the cutting edge of Women's Health issues
- Exposure to the latest products used in the Women's Health arena
