

SECTION ON WOMEN'S HEALTH

American Physical Therapy Association

OUR GUIDING PRINCIPLES

In meetings and communication with each other we will:

- Work in an environment of trust and mutual respect, empowering and encouraging our colleagues
- Maintain confidentiality and professionalism
- Listen, question our bias, and allow open conversation
- Allow for all board members to be heard, recognizing that silence implies consent
- Work as a team to meet our common goals, considering our Strategic Plan, our Membership, and the Vision of the Section on Women's Health
- Honor history while allowing for innovation
- Value the time and talents of our members and board members
- Expect to work in an environment that allows for fun and enjoyment
